CHAIRMAN'S WELCOME

Firstly, I'd like to welcome all players, club officials and travelling supporters from Lingfield FC and Andy from www.completecarpentryandbuild.co.uk as our match day sponsor to The Nest!

A quick turn around after Saturday's defeat against Saltdean in a performance which was well below the level our Gaffa expects. So tonight it is time to dust ourselves down and bounce back from that defeat.

On a more positive note, it was great to have so many youth players and there families at the game - we had over 20 mascots, this is what football is all about, seeing the smiles on there faces. ❤️❤️

There is nothing like a match under the lights at The Nest so lets get behind the lads tonight and cheer them onto victory!

Come on you Magpies 🟡🟤💪

GAFFA'S NOTES

Welcome everyone back to the nest for the second time in 3 days. A short turn around for everyone after Saturdays disappointment.

Against Saltdean, we just didn't compete well enough against a side fighting for everything, and it showed! That's now gone and as I say to the players, football games always roll around again and you get another chance to put things right, I fully expect us to do that tonight.

Thanks as always

Lingfield FC was formed in 1893, initially competing in the now defunct Edenbridge & District League for the first 20 years of its history. Throughout virtually all their history the club has retained its distinctive red and yellow colours, albeit in a variety of guises.

In modern times Lingfield have had success with the Combined Counties League, which they joined in 1980/81 finishing as runners-up in Division Two of the Eastern Division the following season. Floodlights were installed in 1983 and were christened with a match against Brighton drawing crowd of 1,200. With floodlights in place, the club was finally accepted into Division Two of the Sussex County League, with less traveling and more local derbies to look forward to. After three seasons however, they were relegated to Division Three, and intermediate football once more.

2001/02 saw Lingfield close to dropping out of the League altogether after they finished bottom of Division Three, only to be saved by the merger of Ansty Rangers and St. Francis Hospital to form St. Francis Rangers. The following two seasons, however, saw a steady improvement, finishing 3rd in 2004/05 and reaching the final of the Division 3 Challenge Cup.

In 2005/06 the Club went one better and returned to senior football as runners-up finishing five points clear of third-placed Rustington. However the West Sussex club was once again to prove their nemesis in the Challenge Cup, beating Lingfield 12-11 on penalties after the two sides had drawn 1-1 in normal time. Astonishingly, the shoot-out saw no fewer than 32 spot kicks taken!

In 2007/08 under manager Steve Perkins Jnr the club secured promotion to Division 1 for the first time in their history by finishing as runners-up to East Grinstead Town. In their first season in Div 1 the club finished in a highly respectable 8th position and maintained creditable mid table finishes over the next 5 seasons under the leadership of Dixie Dean.

THE OPPO

For the 2014-15 season the club found themselves moved across to the Kent based Southern Counties East FL where they faced several big budget clubs looking for promotion to step 4. There were mixed results, but the club managed to comfortably avoid relegation. However economic reality meant the club would be unable to challenge in this league and would restrict the club policy of bringing in young promising local players from our reserves and u18 squads. The club requested a move down to the Sussex Combination Division One where they spent three seasons before being promoted once again to Step 5 football following the return of Dixie Dean as Manager alongside u18 coach Bobby Clements.

Since then the club has held its own in step 5 football with respectable finishes in the SCFL and a Surrey FA Premier County Cup win in 2019. At that end of the season Dixie Dean stood down and Bobby Clements moved up to replace him. Following the end of the pandemic Bobby decided to stand down and was replaced by the club's popular goalkeeper Dan Burnett who initially stood in as caretaker but was quickly offered the role on a permanent basis. Dan and his management team now have a settled squad of young exciting players who are comfortably holding their own in a league of many much better funded clubs.
