OFFICIAL MATCHDAY PROGRAMME - SEASON 2023/24

# CHAIRMAN'S WELCOME

**Firstly, I'd like to welcome all players, club officials and travelling supporters from Peacehaven and Paul and The Payments People as our match day sponsor to The Nest.**

Another great team performance last week away against Saltdean to win 3-2 which was fully deserved - a big well done to the lads!

Andy and Lee continue to work hard to improve the team and performances and it is showing on the pitch with only one defeat in the last 5 matches. We have also again strengthened the squad welcoming Dan and Shay to the team.

So for me today please enjoy the atmosphere and the match and cheer the lads onto Victory!

Come on you Magpies ●●

# GAFFA'S NOTES

**Good afternoon everyone. Welcome to the Nest.**

I'd like to start today's notes by taking this opportunity to thank the pitch team and groundsmen for their fantastic ongoing work with our pitch. With so many games called off due to the rain it's a real credit to them and their work that the Loxwood Pitch continues to be a high standard.

Today we welcome high flying Peacehaven, coming off the back of last week's 3 points away at Saltdean we head into today full of confidence, it'll be a good marker as to where we are as a new look side.

Last week's performance typified all that myself and Lee stand for, the lads put our plan into play and executed it perfectly. Their hard work, determination and desire to get 3 points was the difference on the day. Second half we possibly weren't at our best technically but the ethos of hard work and desire remained prevalent and was probably the difference in the end. Our lads have undoubted quality and ability, but the workrate at times was superb and it's only when you reach them levels that you earn the right to play football in good areas and, as Saturday proved you get your rewards.

Let's hope it stays dry for the afternoon and everyone gets to watch some football, I'm sure some will be missing out this week as the wet weather continues.

Enjoy the game!

**Although officially the club was formed in 1923 as a result of a merger between PeacehavenRangers and Telscombe Tye. It is recorded that a number of games were played in 1922 following a meeting of interested players in June of that year.**

It was reported that the Peacehaven United players looked very "posh" in their Emerald Green and White shirts. The team captain was also their trainer, Frank Thornton. The first ever competitive game was in the Lewes League on 2nd September 1922 away against Ringmer. This would be followed by the first home game on 9th September when Cliff Athletic would be the visitors.

These games would be followed by Seaford (away) 16th, Martins Athletic (home) 23rd and Denton (away) 30th. The team had also been entered in the Charity Cup, while plans were underway for a second eleven in dark green and white shirts to also have some fixtures shortly. Due to problems with travel and possibly commitment to regular playing, the club failed to complete the season. However, in 1923 with a new committee and more players Peacehaven took their place in the Lewes League.

The team first played competitive football in the Lewes District League until after the second world war when the club joined Junior Division one of the Brighton, Hove & District Football League for the start of the 1949–50 campaign finishing runners up at the first attempt. Two seasons later the club achieved promotion to the intermediate division when they finished as champions of the Junior Division one, and gained further promotion the next season when they finished runners-up in the intermediate division. However, they could only survive two seasons in the Senior Division before being relegated back to the intermediate division at the end of the 1954–55 competition.

Four seasons later the club bounced back up to the senior division, when they finished runners-up but as before they could only survive two seasons in the top division before being relegated again.

# THE OPPO

The Senior division win in the Brighton league enabled the club to be promoted to Division Two of the Sussex County Football League, for the start of the 1969–70 season. Their fourth season in Division two, the 1972–73 campaign, saw the club make their debut in the FA Cup, where they beat Burgess Hill Town in the First Qualifying round before losing to Lewes in the next round. The 1975–76 season saw the club gain promotion to Division one for the first time, when they finished runners up behind Selsey.

In their third season, 1978–79, in Division one the club ended up finishing as champions of the Sussex County League. The club went on to remain in Division one for another nineteen seasons during which time they went on to win the league title a further six times. Two seasons after winning the last of these six titles, the 1997–98 campaign saw the club relegated to Division two. The club bounced back as runners-up of Division two, three seasons later but could only last two seasons back in Division one. Two seasons after being relegated from Division one, the club was relegated to Division three for the first time in their history.

The next season saw them become champions of Division Three in the 2005–06 season, earning promotion back to Division two. The club was back in Division one three seasons later when undermanager Darren Guirey, they earned promotion as champions of Division Two. The club achieved further success at the end of the 2012–13 campaign the club won the Sussex county league for the eighth time in their history and earning themselves promotion to the Isthmian League. In 2013-14, the club won the Isthmian League Division One South and earned a second successive promotion, reaching the Isthmian Premier Division.

By December 2014 at the clubs highest position in the Ryman Premier League it all started to unravel. Managers and chairman struggled, there were wins but slowly the club slipped down the table and ended back in Ryman South. Then in January 2016 with the club at its lowest ebb, popular chairman Brian Suckling lost his fight with cancer and passed away. Deputy chairman Sue Norwood became acting chairman but had a mountain to climb. The followed another demotions, which saw the club back in the Southern Combination Premier league for the 2016/17 season. It was realised that the club was on the brink of collapse.

So with a massive effort in June 2016, the club became community club, owned by its fans. A new manager was appointed, local man Mark Shutt. He set about building a squad of players with a nil playing budget, but recruiting players who wanted to play for the shirt and not money. At the end of season 2016/17 Peacehaven & Telscombe finished in a respectable 14th place in the Southern Combination league with 48 points from 38 games played. The objective in its first season as a community owned club had been achieved and the slide had been halted. In May 2019 a new high point was reached by winning the RUR cup against the odds, about the same time the club was accredited FA Charter Standard.

Then in Covid year with just a few matches to go the first team were in the semi-finals of a number of cups when covid hit and all matches were cancelled and the season ended early. Today Peacehaven & Telscombe Football Club has not only its 1st team, there are also sitting in the wings not only a reserve /development squad but also under 23's and under 18's who all at time have opportunities to play in the senior team. The club also caters for young players covering all school ages both boys and girls.

OUR CHARITY OF THE YEAR

## Supporting and raising awareness for mental health.

We provide a range of mental health support services, including mental health support groups throughout Surrey. We passionately believe that mental health support should be accessible to all and are strong advocates of raising mental health awareness, especially among young adults.

Are you looking for counselling services, help or advice? The Lucy Rayner Foundation is here to help. We are passionate about providing young people with support and guidance to deal with mental health issues and remove any stigma around the subject.
