OFFICIAL MATCHDAY PROGRAMME - SEASON 2023/24

CHAIRMAN'S WELCOME

Firstly, I'd like to welcome all players, club officials and travelling supporters from Saltdean United and Paul from The Payment People www.thepaymentpeople.com as our match day sponsor to The Nest!

Since our last home game Lee has left the club due to personal reasons, we wish him all the best. Our Manager Andy Lampard will take sole charge of the 1st team and we will be looking to bring in an assistant manager of his choice to continue the great work he has done so far since taking over the role.

Our last home game we beat AFC Vardeanians 2-1 in which we had to dig in the 2nd half, we were comfortably winning 2-0 at half time. We then visited Steyning who are flying high at the top of the table and I have to say it was the best performance I've seen as in togetherness and workrate and playing for each other in a Loxwood shirt, we narrowly lost 1-0.

Then we had the long journey to Bexhill with players carrying knocks and short of players we even had our goalkeeper coach Alex Harris kitted up as a sub, however again the lads showed Lamps what they were made of on a pitch that by the end was unplayable in areas. We played some good football but went 1-0 down, we then lost our right back early in the game so our only senior sub used early on but we never gave up, we had so many chances in the 2nd half including 3 pens turned down but in the last couple of mins our man of the match Tristan scored a great goal to pull us level and get us a draw which was the least we deserved.

I've been massively proud of Lamps and the lads in our last 3 games showing such great togetherness and never giving up. I'm sure we will take that into today's match.

There is nothing like a match at The Nest so let's get behind the lads today and cheer them onto victory.

I would also like to continue to thank everyone who has supported me throughout the last month as I've been very ill and the club could not run with out you all, thank you so much. ❤️❤️

OFFICIAL MATCHDAY PROGRAMME - SEASON 2023/24

GAFFA'S NOTES

Afternoon everyone and welcome back to the Nest!

It's been 3 weeks since our last game here, a worthy 3 points against a plucky Old V's side who are fighting for every point at the bottom end of the table. Realistically, we controlled large parts of the game that day and were well in charge after a good first half, going in 2-0 up and more than comfortable. 2nd half they reacted well and pressed us into mistakes but in all honesty 3 points was fully deserved.

Since then we've been away to Steyning, a fantastic outfit competing for the title and in my opinion they will get it, and it'll be nothing less than they deserve. We set up slightly differently there and looked to frustrate them and knock them off their usual patterns. This worked for the most part but for them to unlock us once and ultimately leave us empty handed.

Last weekend a difficult away day to Bexhill, we headed down there depleted from injuries and unavailability, not to mention the lack of changing room speaker (first world problems I know) ... the weeks rain and downpours on the day made for a proper non league battle in the mud! We matched them in all departments and on another day would have taken 3 points but on reflection it was a worthy point.

So to today, heading into this fixture with almost 90% availability, few niggles and knocks in the squad but that's normal this time of the season, we're looking to put a run together now to move us safely into mid table. Saltdean are fighting for every point and certainly won't roll over for us, or anyone else ... we'll need to be on it from the start if we're to get 3 points.

As always at this stage of the season the grounds team have worked tirelessly against the elements to make sure we're playing on such a fantastic surface. Let's all get behind each and every one of the lads in a Loxwood shirt today.

From me, I hope you Enjoy the day and your afternoon with us at Loxwood FC.

Thanks as always.

@Saltdeanfc

Saltdean United formed in 1966 by seven founding members who were inspired by the victorious England World Cup campaign. The club started life in the local Brighton Saturday League and gradually moved up their divisional structure over the years.

Following the acquisition of their picturesque ground at Hill Park in the suburbs of Brighton, the club joined Division 3 of the Sussex County League in 1984/85, finishing third in their first season. More success followed and a promotion to Division 2 and senior football came in 1988/89 when Saltdean finished as champions. The next seven seasons were spent in this division, with the "Tigers" comfortably winning Division 2 in 1995/96 with games to spare.

Promotion to Division 1 saw the clubhouse completely revamped and floodlights installed, the first Sussex County League club to invest in the impressive Musco system from the USA. The Tigers quickly established themselves as a force in the top division, finishing 4th in their inaugural season and reaching the final of the Sussex Senior Cup only to narrowly lose out to St. Leonards by the odd goal. In 1998/99 the club finished 2nd, and 3rd in 1999/2000 season when they also lifted the John O'Hara Cup, beating Burgess Hill Town after extra time in a thrilling match at Three Bridges.

In 2002 the club suffered its first ever relegation to Division 2 and in 2007 were relegated again back to Division 3 where they remained for several years until 2011 when the club won the Sussex County League Division 3 Challenge Cup. A positive run in 2011/12 season saw the Tigers show their true spirit as they began the steady climb back up. As runners up in the league they were promoted back to Division 2 and lifted the Vernon Wentworth Cup.

A difficult period followed, with several years spent in the lower half of Division 2 until the 2015/16 season when a change of circumstances, interest and investment in the club brought a new lease of life to the Tigers. Led by a celebrated ex player with the support of local businessmen the club was transformed on and off the pitch. Within a single season Saltdean Utd went from bottom to top of the league gaining promotion back to the top flight of Sussex football in 2017 and in 2018/19 the Tigers were the proud winners of the Peter Bentley League Challenge Cup.

THE OPPO

In 2017 the Saltdean United Women's team were formed under the management of Joe McTiffen. The Women have gone from strength to strength and have enjoyed several promotions in a short period of time. As runners up of the Sussex Women's league in 2017/18, they were promoted to the South East Counties Premier Division. In 2018/19 as runners up in the league they were promoted to the London and South East Premier Division and were winners of the South East Counties Women's League Cup.

Into a new decade and the Men's First Team enjoyed a strong start to the 2020/21 season in the Southern Combination Football League Premier Division before the season was curtailed due to Covid-19. The 2021/22 season saw another strong finish for the Men's First Team as runners up in the league and the Sussex RUR Cup, missing out narrowly on both titles.

Despite finishing second in the league, Saltdean missed out on promotion to step 4 due to not meeting the FA Ground Grading requirements. The 2022/23 season saw a new young side put together under the management of Bradley Sweetman. The Tigers made a good start and held their own in a very difficult division for an inexperienced side. After hovering above the relegation places for most of the year, a difficult decision to relieve Brad of his duties was made, with Joe McTiffen coming in to take the reins for the last six games, assisted by Paul Stokes. The Tigers finished the season by winning three, drawing one and losing the other two. This saw us comfortably confirm our place in the Premier division for another season after finishing six points clear from relegation.

The Women's First team had their best season to date in tier 5 after finishing joint fifth in a very competitive division. Competing against the likes of Fulham, Dartford, Millwall and Dulwich saw the Tigers only lose seven games all season. The Development Squad reached the league cup final, narrowly losing to Shoreham Ladies. The club is still working hard on their Legacy project which was announced in 2021, led by a team of volunteers from the club. The club have been successful in their planning application for a new two-story clubhouse, 3G pitch and enclosed ground with the works starting imminently. The new ground will enable us to offer first class facilities to all of our players from the senior section, all the way down to our Tiger cubs.

This season sees us begin a new era under Kieran Ridley's management. After a successful selection process, we felt Kieran was the right person to take the club forward both on and off the pitch. His experience in the county league alongside his passion in working with the youth was key to our decision. Kieran will be assisted by Paul Stokes who will continue his role after his short spell at the end of last season. We look forward to the season ahead and watching the Tigers progress up the league table!
